

Service Model	Price Range	Typical Duration	Services Included	Avg Student Load
Comprehensive Package (9th-12th grade)	\$10,000 - \$500,000*	2-4 years	Full strategic planning throughout high school, essays, application strategy	12-20 students
Junior/Senior Package (11th-12th grade)	\$5,000 - \$150,000+	2 years	Full strategic planning starting junior year, essays, application strategy	20-30 students
Essay-Only Services	\$100 - \$500 per hour	3-6 months	Personal statement, supplemental essays, editing	25-35 students
Hourly Consulting	\$150 - \$2,500/hour	As needed	Full strategic planning throughout high school, essays, applications strategy	35-40 students

*High-profile consultants may charge significantly more, with some reported packages reaching \$500,000 for comprehensive four-year guidance. However, higher pricing doesn't necessarily correlate with better outcomes, as these consultants often manage larger caseloads to justify their premium positioning.

**Why some families will pay \$500,000
for Ivy League admissions consulting:
'It's worth the investment'**

Study outlines how college admissions practices benefit richest applicants
